

## Use of Masks in our Schools UPDATE

Dear Parents, Guardian, Students and Staff,  
Following today's press conference by the Minister for Health and the Superintendent for Public Health when new measures were announced which will come into force on May 2<sup>nd</sup> 2022, we have received a number of queries about next Monday.

Please note that the circular we issued yesterday will still apply for next week. During the week, we will be discussing the developments after today's press conference together with all our Heads of School and will then communicate with you any changes which may come into effect as from May 2<sup>nd</sup>.

Many thanks for your support and co-operation.

## L-Użu tal-Maskri fl-Iskejjel tagħna AGĠORNAMENT

Għeżież Ġenituri, Kustodju, Studenti u Staff,  
Wara l-konferenza stampa tal-lum mill-Ministru għas-Saħħa u s-Supretendent għas-Saħħa Pubblika meta tħabbbru miżuri ġodda li se jidhlu fis-seħħ fit-2 ta' Mejju 2022, irċevejna numru ta' mistoqsijiet dwar it-Tnejn li ġej.

Nixtiequ niċċara li ċ-ċirkolari li ħriġna lbieraħ għadha tapplika għall-ġimgħa d-dieħla. Matul il-ġimgħa, se nkunu qed niddiskutu l-iżviluppi wara l-konferenza stampa tal-lum flimkien mal-Kapijiet tal-Iskola kollha tagħna u mbagħad nikkomunikaw magħkom kull tibdil li jista' jidhol fis-seħħ mit-2 ta' Mejju.

Grazzi ħafna għall-appoġġ u l-kooperazzjoni tagħkom.
