

Procedure for the Admission of Students beyond Ballot Years at Primary and Secondary level

Applicable for De La Salle College and Stella Maris College (including St Benild School)

UPDATED October, 2022¹

Introduction

The Lasallian Colleges in Malta, De La Salle College and Stella Maris College, follow the policy and procedures undertaken by the Secretariat for Catholic Education (SfCE) in relation to entry into Year 1 and Year 7 (Form 1) through the relevant ballot process <https://church.mt/archdiocese/church-schools/>

There may be occasions whereby vacancies may arise in other Year groups within the Primary and Secondary level for a number of reasons. The Lasallian Colleges may decide to fill such vacancies according to the following procedure. The aim of this procedure is to ensure that the filling of such vacancies is undertaken in a fully open and transparent manner, while reflecting the Christian ethos and values of the Colleges.

Procedure for Junior Schools (Year 2 – Year 6)

1. **On the second Monday of each July**, a list of any vacancies which may have arisen in the Junior schools for the following scholastic year will be published on the official La Salle Malta website: www.lasallemalta.edu.mt
2. Persons interested in filling any such vacancies are to fill in an online form which will be available through the same website. **There will be a strict deadline on the 4th Monday in July of each year for filling in the form.** Forms filled in after this date will not be considered.
3. Failure to provide any information requested in the online form will result in disqualification from the relevant process.
4. This new procedure will come into effect as from October 2022.
5. The procedure assigning any vacant places will be concluded by the end of August and will cover vacant places available for the forthcoming scholastic year starting the following September. Applications made during a particular year will no longer remain valid at the end

General Provisions

1. The Colleges reserve the right to fill vacant places for the educational benefit of their present students and with the consent of their parents/guardians. This may occur when, for example, a student may be required to repeat a year or when a student may be transferred from one Lasallian college to another. This process is initiated by the relevant Head of School and is subject to approval by the Director of Educational Mission. It will take place prior to the process described above and the number, if any, of remaining vacant places available will be assigned after this process is concluded or deemed to be not applicable for that particular year.
2. At the end of the selection process, a report will be prepared by the Director of Educational Mission which will be submitted to the Board of the Malta Trust of the Brothers of the Christian Schools. The report will outline the number of vacancies available, the manner in which the procedure was applied and the outcome of the procedure.
3. Parents/Guardians will be individually informed of the outcome of the procedure while respecting GDPR requirements when doing so. In the case of the need for a ballot, this will be held publicly, and parents/guardians will be invited to view the undertaking of the ballot.
4. This policy has been approved by the Malta Trust of the Brothers of the Christian Schools (De La Salle Brothers) and may be reviewed and/or updated by the Trust as necessary. The Trust also reserves the right to suspend the provisions of the policy.
