learning - What?
Why? How?

3

Finnish educational
model and lesson
planning

well-being

brain breaks

learn on the move

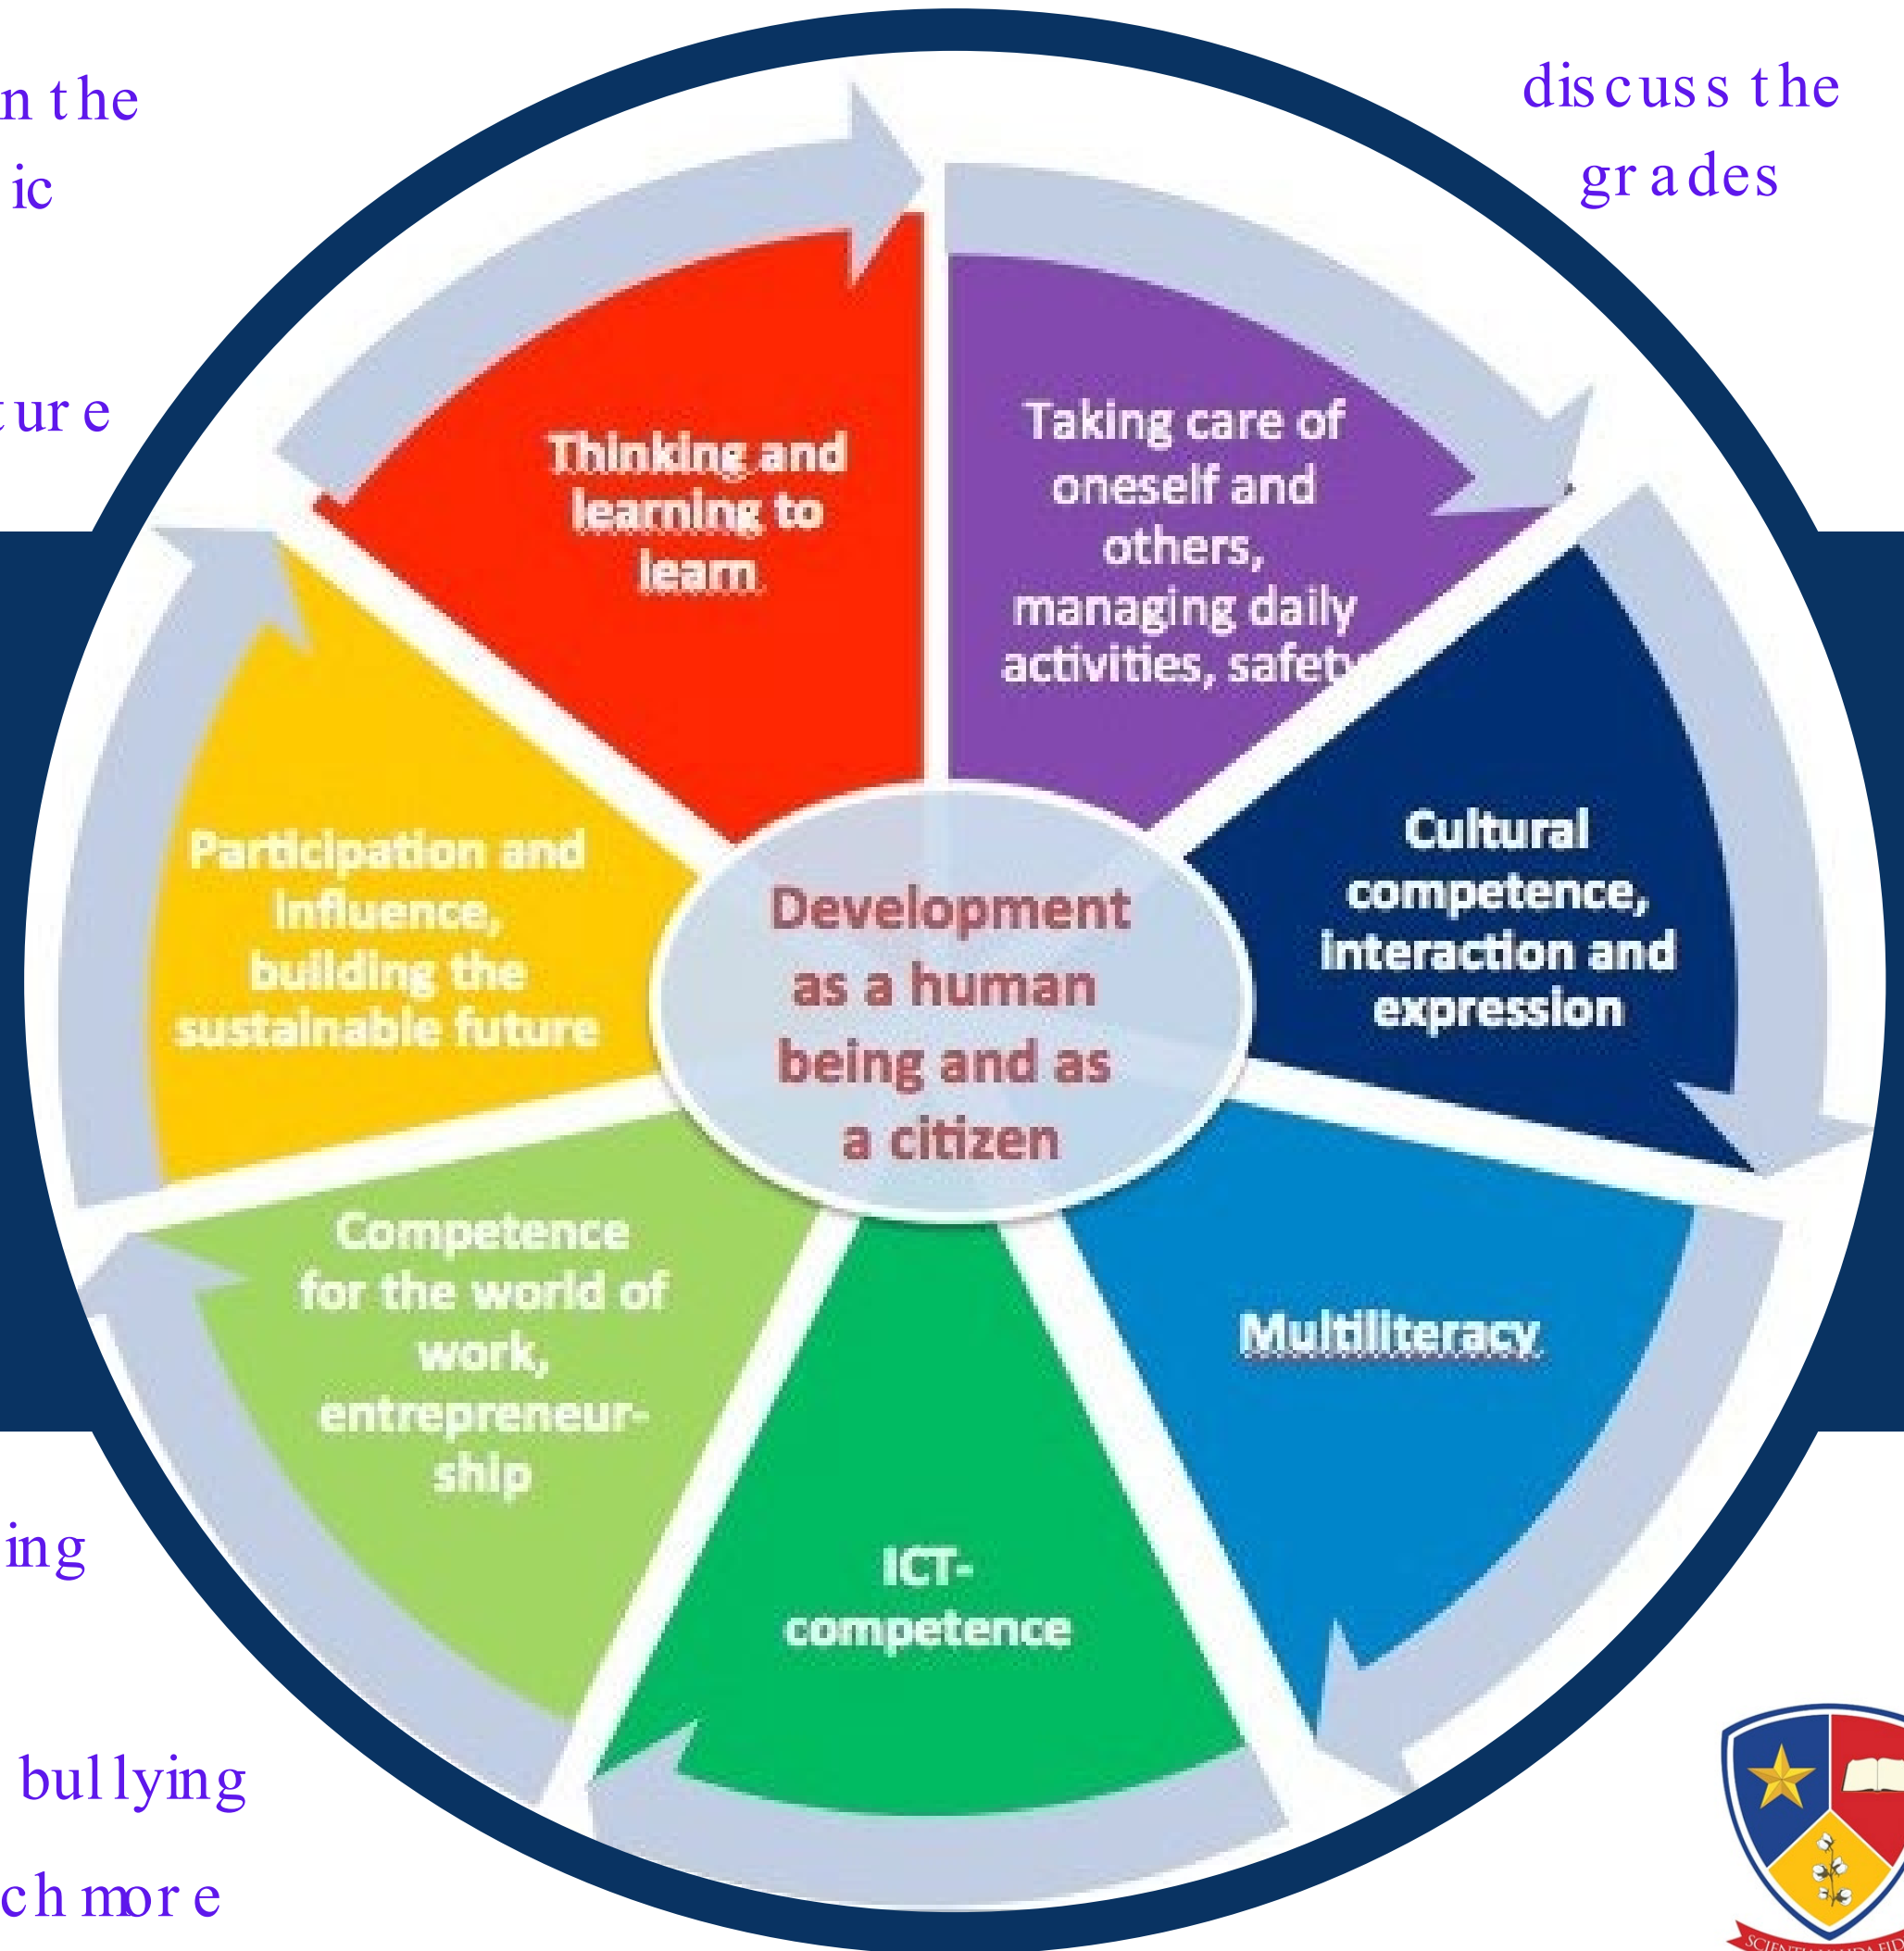

bring in the music

discuss the grades

keep homework to a minimum

connect with nature

Why is Finnish Education so successful?

know each child offer

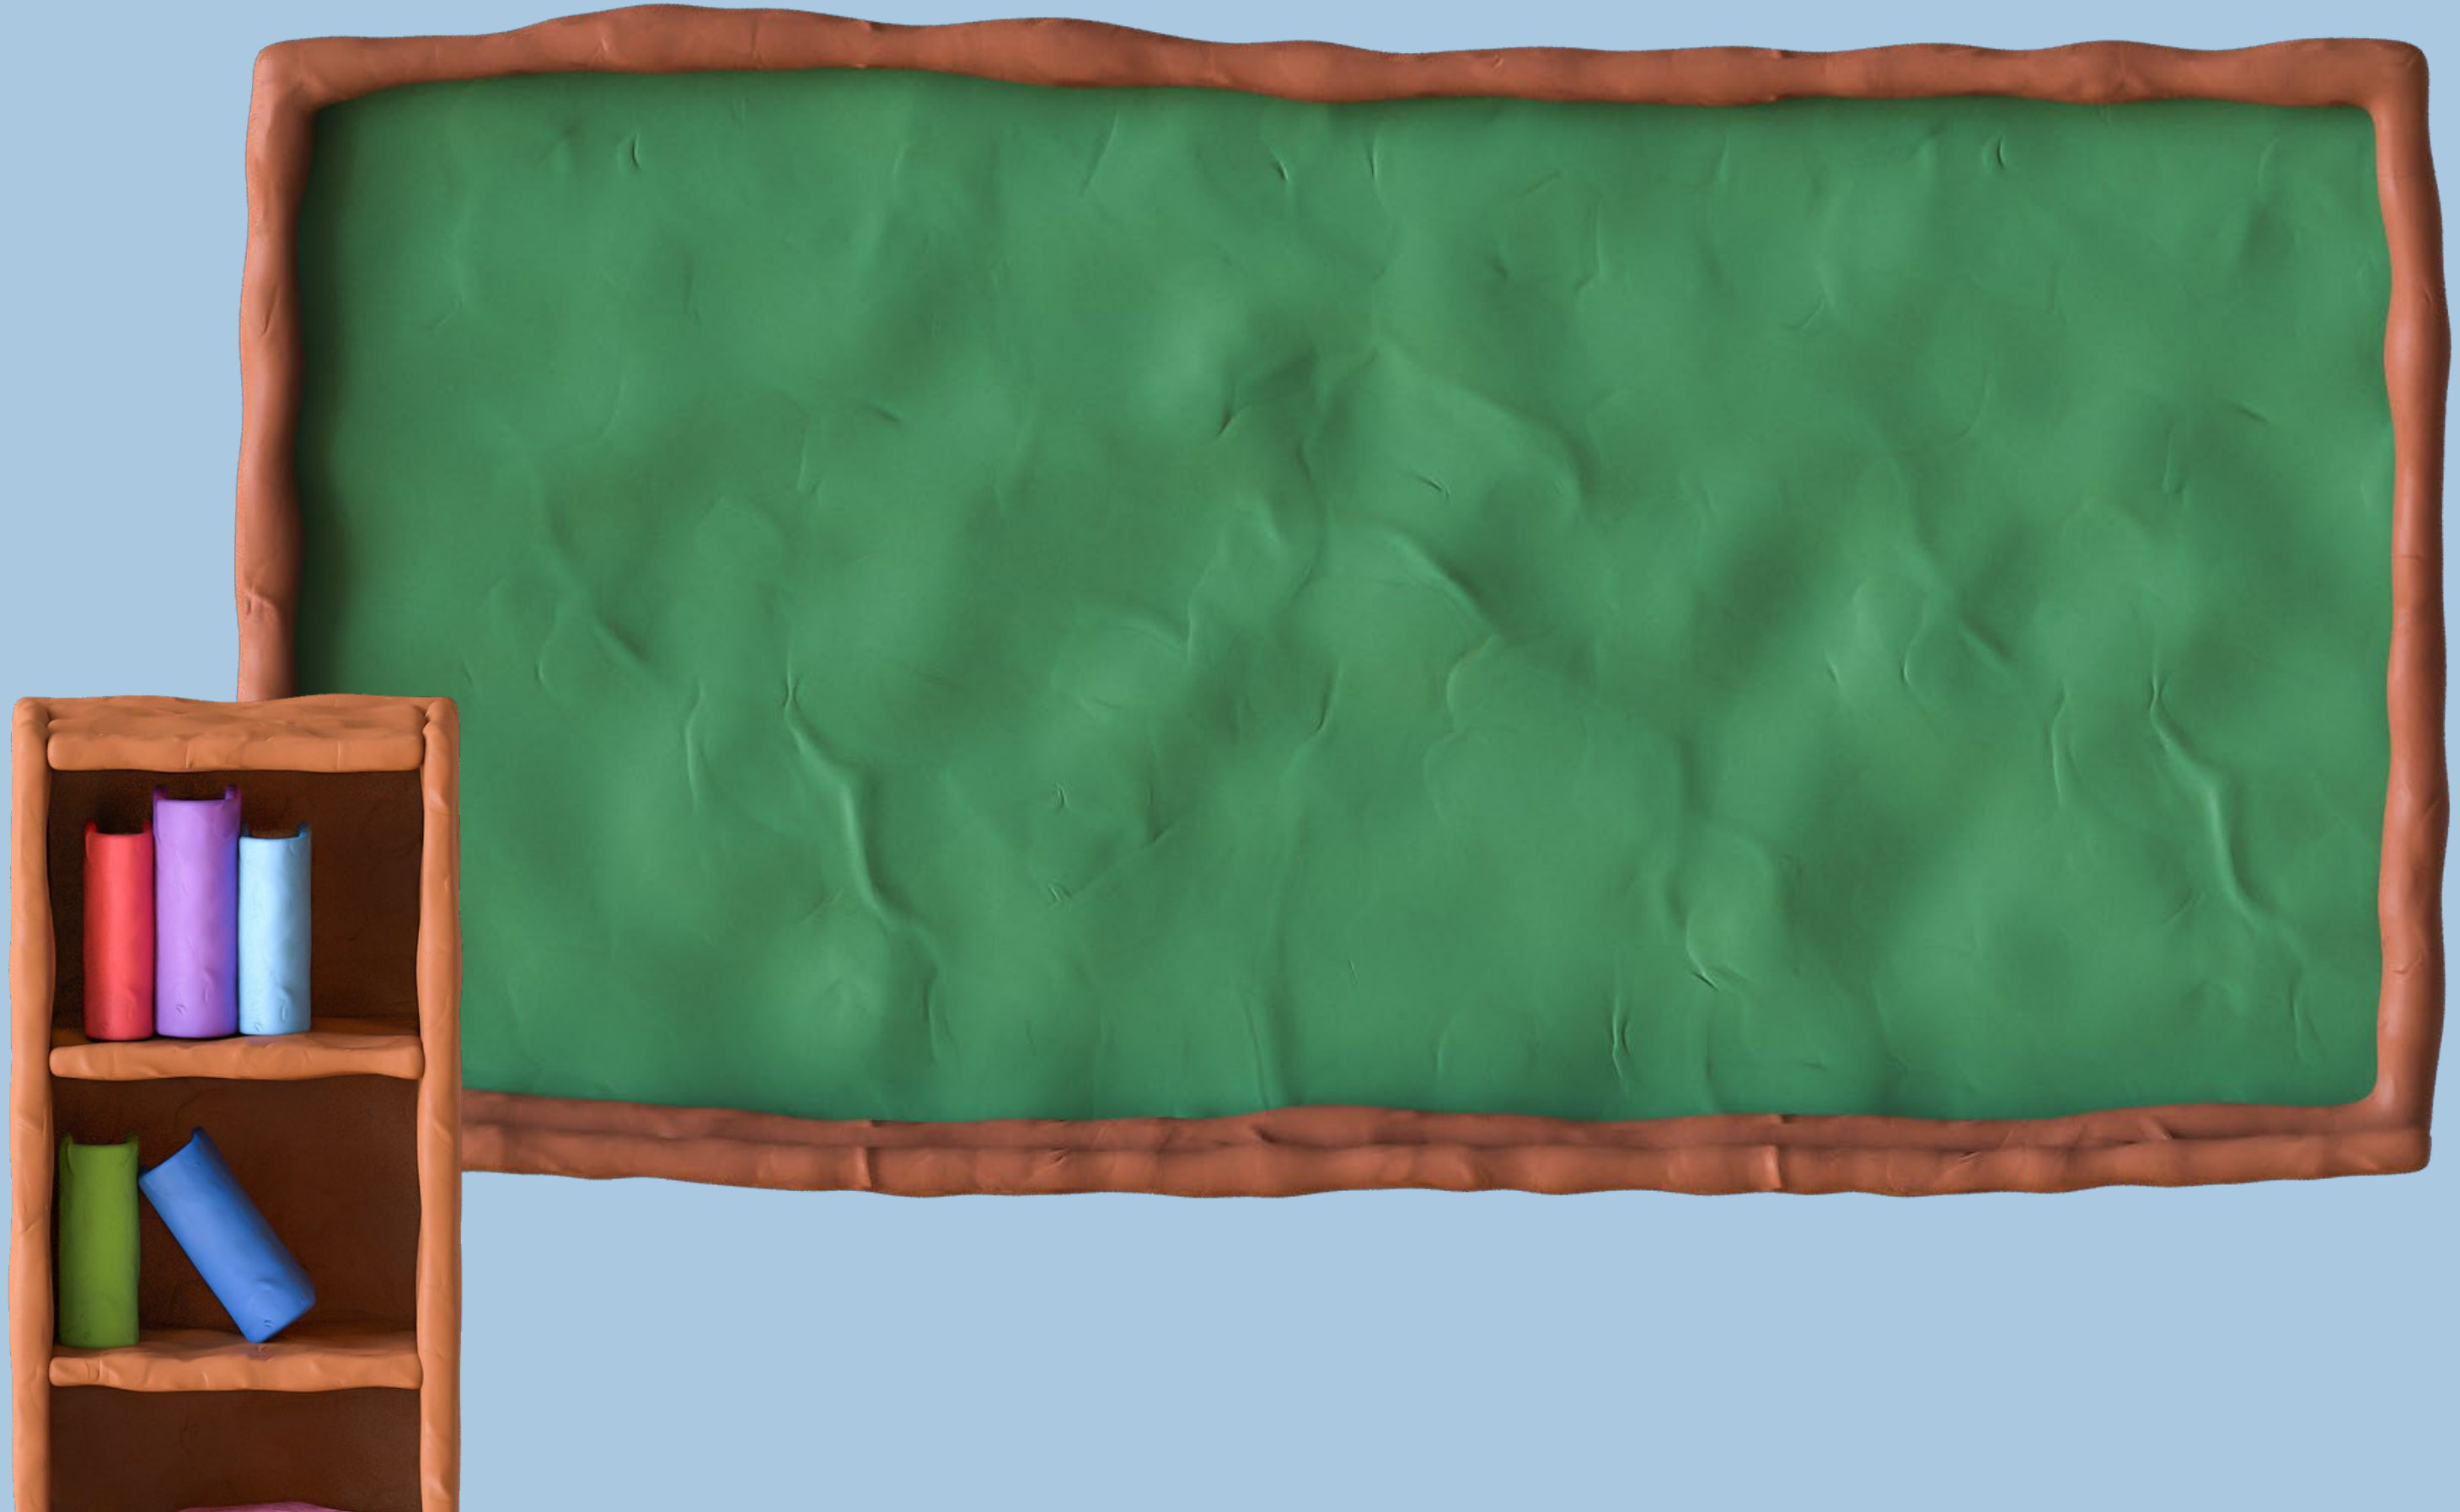

celebrate their learning

play with your students

banish the bullying

coach more

What are the effects of climate change on the environment?

How can we
reduce the
effects of
climate change
on the
environment?

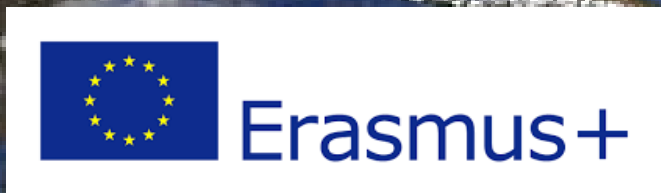

LESSON APP

Lesson planning in a Finnish way

THANK
YOU!
